

2006/7-2008/9 Highway Bridge Program

CAUTION -- This is NOT the FTIP/FSTIP. See the appropriate FTIP/FSTIP for current funding commitments. This listing provides the HBP lump sum backup to support the lump sum amounts programmed in the FTIP.

1/4/2007, 2:25 PM

- Notes:
- 1) This is the FTIP lump sum "backup" list for HBP funded projects. Please see the Local Assistance web site for the most current listings.
 - 2) While this list may be project specific, the actual approved amounts in the FTIP are "lump sum". The "lump sum" programming provides flexibility in advancing projects within this list of projects.
 - 3) Federal \$ are funds programmed for the project, not general funds available to a specific local agency. These funds are not guaranteed amounts. The programmed funds are based on rough estimates provided by local agencies. Guaranteed funding levels are determined at time of authorization for given phase of work.
 - 4) Prop 1B bond funds (Local Seismic Safety Retrofit Program (LSSRP)) used for matching federal funds are also managed by Caltrans.
 - 5) Financial constraint of LOCAL matching funds and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.
 - 6) Corrections to this report should be addressed to the District Local Assistance Engineer who will forward info to the HBRR Program Coordinator.
