LOCATION:	SACRAMENTO, CA
FINAL FILING DATE:	AUGUST 9, 2016

POSITION OVERVIEW:

The Deputy Director of Transportation Programming, under the general direction of the Executive Director and the Chief Deputy Director, is responsible for all aspects of programming and allocating funds, coordinating programming and funding recommendations for Commission programs, developing policy guidance for presentation and adoption by the Commission, serving as a member of the Policy Staff, and participating in high level policy and planning decisions for the Commission. Programs under the purview of the Commission include, but are not limited to, the State Transportation Improvement Program (STIP), the State Highway Operation and Protection Program (SHOPP), the Traffic Congestion Relief Program (TCRP), Proposition 1B (Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006), Proposition 116 (Clean Air and Transportation Improvement Act of 1990), Proposition 1A (The Safe, Reliable High-Speed Passenger Train Bond Act of 2008), the Aeronautics Program, the Environmental Enhancement and Mitigation Program (EEM), the Elderly and Disabled Specialized Transit Program, the Active Transportation Program (ATP), and other transportation programs. All duties are performed in accordance with State and Commission policies and procedures.

ESSENTIAL FUNCTIONS:

- Manages the development of policies, guidelines, recommendations and administration of multiple state and federal transportation programs.
- Develops statewide policy necessary to generate guidelines for the programming of state and federal funds and ensures the funds are effectively directed to projects in accordance with statute and Commission direction.
- Solicits input from the California Department of Transportation (Caltrans), other State departments, Metropolitan Planning Organizations (MPO), Regional Transportation Planning Agencies (RTPA),

County Transportation Commissions, local jurisdictions, transportation agencies, legislative staff, federal partners, and other interested parties when developing program policies, guidelines, and formulating recommendations.

- Independently analyzes and disseminates input provided by Caltrans and other State departments, regional agencies, local jurisdictions, transportation agencies, legislative staff and other interested parties.
- Develops and presents policies, guidelines, program, allocation and other recommendations at public hearings, Commission meetings and various other local, regional and public meetings and responds to issues raised, determines the validity of the issues, and revises the policies and/or guidelines and other recommendations as appropriate.
- Responsible for assuring that all available funds are fully programmed, allocated and expended to maximize the benefits to the state and assure no net loss of funds to California.
- Identifies priorities for and critically evaluates project programming requests and develops and presents recommendations for Commission consideration in approving, delaying or denying requests.
- Responsible for analyzing the demand for project allocations as compared to the anticipated funding, and developing allocation plans for Commission action, if necessary, to meter the allocation of funds.
- Reviews and makes recommendations to the Commission on project readiness and requests for funding allocations. This includes evaluation of requests to advance funds programmed in future years to the current year; extend the timeline for construction contract award, contract completion, expend local or other funds for later reimbursement with state funds, and other complex funding requests.
- Solicits input from Caltrans, other state departments, MPO, RTPA, County Transportation Commissions, local jurisdictions, transportation agencies, legislative staff, federal partners, and other interested parties when developing programming and allocation recommendations.
- Ensures transparent and accountable reporting of billions programmed and allocated by the Commission at public hearings, public workshops, public meetings, on-going reporting, and interaction with the media and reporting to the Legislature and Administration.
- Reports both annually and on an ad hoc basis, on the status of programs to interested parties including the Legislature and the media, as necessary.
- Oversees the tracking of Commission actions on multiple program balances.
- Works with and advises the Commission, Caltrans, other State agencies, regional agencies, local jurisdictions, transportation agencies, legislative staff, and other interested parties to resolve project planning, programming, allocation and delivery issues on projects that are in multiple programs.
- Coordinates with Caltrans to accomplish assigned responsibilities as specified in Government Code Section 14512.
- Serves as Commission liaison to Commission Committees as appointed by the Commission or the Commission's Executive Director.

- Represents the Commission at various meetings with federal, state, local government, special interest groups, legislative staff, non-profit organizations, private industry, other transportation stakeholders, and members of the media.
